

# VitalSales Suite

## Sales and Research Tools for the Quality Producer

VitalSales Suite consolidates several, powerful life insurance sales/illustration tools into one easy-to-use, **online solution**. Included are:

- VITALTERM** The industry's leading term insurance product feature comparison and quoting system.
- VITALLTC** A comprehensive Long Term Care quoting and comparison tool.
- VITALSIGNS** A tool that provides the financials and the independent ratings for 500 of the largest Life & Health insurance carries.
- VITALUL** Compares guaranteed to 100 (or similar) universal life products features and premiums.
- VITALANNUITY** Search our database of more than 300 deferred fixed annuities. The interest rates and product information are updated nightly.
- VITALFORMS** A forms database that can be accessed using either our standard retrieval system or by clicking a link from within the other tools.

### How to get VitalSales Suite:
